2023 Highlights

- June 2023, German Air Defender 2023 for 29 days with 3 Airmen. Exercise marked first time supporting the A-Staff in a lead wing role. Coordinated around-the-clock real world medical support in two countries. Supported 45 medical personnel that provided care for 521 encounters.
- August 2023, Northern Strike at Camp Grayling for 8 days with 32 Airmen. NS-23 provided training for joint readiness with Army and Marines; more than 100 CMRP and MET trainings completed. Key connective component linking Northern Strike and Global Medic exercises during inaugural event between both locations.
