MISSION SUPPORT GROUP

Security Forces Squadron 2023 Highlights

- Completed 564,964 DBIDS transactions, conducted 13,280 background checks with 178 access denials; issued 10,151 access credentials; detected 11 intoxicated drivers; and detained 40 individuals for criminal violations or warrants in collaboration with local law enforcement.

- Trained and qualified 1,041 students on small arms and heavy weapons, and provided short-notice rifle and pistol familiarization training and firing for 240 AMC personnel ensuring a capable and lethal deployable force.

- 48 Defenders attended two weeks of training at the Creek Defender Ground Combat Training Center at Ramstein AB, Germany for our 2023 Annual Training tour.

- Deployed 22 Defenders to three different locations across AFCENT and USAFE-AFAFRICA.

- Members volunteered to provide a combined 336 hours of CATM and OpFor support for the Northern Strike 2023 exercise.
