OPERATIONS GROUP

2023 HIGHLIGHTS

- Provided support for Weapons School for 26 days; 250 members supported for upgrading weapons officers as well as supporting air and CAF-representative forces.

- June 2023, German Air Defender for 31 days with 123 Airmen; Supported NATO resolve while deterring regional aggression with an all-ANG force and deploying as the 127th Wing's first MGFE.

- August 2023, Northern Strike 23-2, supported coalition partners with air and ground fires integration while exercising fighter support for MAF ACE. Further, Selfridge AFM was the primary AMOPS support agency for NS 23-2 in Alpena.

- Provided ATC support for exercises Agile Rage and Northern Strike, 13 days, 2 members; Agile Rage brings ACE capabilities to the front and tests Airman in an austere combat environment. Northern Strike is DoD's largest annual joint, reserve component exercise whose primary mission is close air support.
