Mission Statement

Our Mission is Caring. We support the military lifestyle while reducing conflict between mission readiness and parental responsibilities. When a Soldier loses duty time during deployment, mobilization or contingency situations due to a lack of childcare, it negatively impacts the military mission. CYS provides critical support services to mitigate such stressors.

Child and Youth Programs will be closed on the following dates:

10 May 2024
27 May 2024
19 June 2024
4 July 2024
23 August 2024

Rain Out/Cancellations

Youth Sports & Fitness will use the rain out line for updates or other cancellations. Rain out line: 586-282-9000. Child Development Centers, School Age Before/After & scheduled School Out Days will use 282-TANK as well as the Facebook Page. Middle School & Teen After School program will run as long as the school is open. All other programs and activities will contact directly.

Refunds

Refunds are authorized for: (a) program closures for repair or renovation when an alternate care setting is not provided (b) unexpected prolonged child absence due to Family emergency or extended illnesses (c) withdrawal from a regularly scheduled child care programs upon receipt of PCS orders and (d) withdrawal from a Youth Sport (occurring before midseason of the sport) upon receipt of PCS orders. Forms are available at Parent Central Services or at your program facility.

Eligible patrons of Department of Defense (DoD) Child Development Programs (CDP) include active duty military personnel; DoD civilian personnel paid from both appropriate funds (APF) and non-appropriate funds (NAF), reservists on active duty or during inactive duty personnel training and DoD contractors.

The first priority is childcare for Active Duty military and DoD civilian personnel.

Coast Guard when activated are eligible patrons. The eligibility criteria and priority is the same as any other Active Duty soldier. Fees are based on their TFI.

Retired military personnel are eligible to use youth programs. Child care programs are provided for retirees on a space available basis. Retired military personnel and eligible partnership youth (Macomb County) are eligible to use SKIES, and Sports and Fitness programs where fees are not based on TFI.
